The **NEW EDITION** of Carole Fishers
Materia Medica for Western Herbs is now at **Allmedic
Book Supplies**.

This volume is based on the original *Materia Medica of Western Herbs for the Southern Hemisphere* by Carole Fisher and Gillian Painter and has been expanded and updated to include botanical, scientific, pharmacy and safety information. It is designed for worldwide use and contains detailed monographs of 180 medicinal herbs.

Features include:

- Appendices to help students understand pharmacological and medicinal actions
 - Glossary listing the known actions of common constituents
 - A table of interactions and
 - A comprehensive therapeutic index.

This textbook is valuable not only for students and practitioners of herbal medicine but is also of use to any health provider who wishes to know more about how and why herbs work and the safety issues related to them.

Allmedic Books is the exclusive Australian distributor of this popular text.
